Sir,

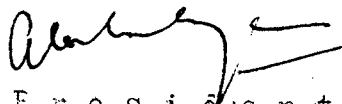

I have the honor to state that the Amildar of the Sirsi

Taluk reported that the residents of Barasur are put to much inconvenience for want of a market within easy access, that Barasur is comparatively a big village, that the nearest market place is 7 miles from it and that the Taluk Board are agreeable to the opening of a market at the place every Wednesday. On the resolution of the District Board to hold the market in question, the matter was published in the Gazette and objections were invited therefor. As no objections were reported to have been received within the prescribed time, the subject was again placed before the District Board in their meeting held on the 28th June 1918, and a copy of their resolution is submitted herewith for favor of sanction as resolved by the Board.

I have the honor to be,
